Surgical Wait Times and Backlogs

Can the Minister of Health and Social Services provide the following detail with respect to the current waitlist for surgeries and procedures, between January 1, 2022, to May 30, 2025? Please provide per year:

1. The number of patients currently on the waitlist;
2. The average wait times;
3. The median wait times;
4. The number of surgeries cancelled or delayed in the past 24 months and the reasons;
5. A breakdown of patients by community and age group.
