**Northwest Territories Health and
Social Services Authority Action Plans**

During the December 4, 2025, public briefing to the Standing Committee on Social Development Committee by the Northwest Territories Health and Social Services Authority (NTHSSA) and the Healthcare System Sustainability Unit, the Public Administrator stated that the NTHSSA has completed 30-, 60- and 90-day action plans.

My question is for the Minister of Health and Social Services:

1. Can the Minister provide the NTHSSA's 30-, 60- and 90-day action plans, along with a detailed accounting of which items have been completed?
