Senior Envoy

The Government of the Northwest Territories has appointed a Senior Envoy to the Government of Canada to strengthen intergovernmental relations and advance territorial priorities.

My questions are for the Premier:

1. Can the Premier provide a month-by-month breakdown of all individuals and organizations the Senior Envoy has met with in the calendar year 2025, identifying the names and positions of those met, along with the dates, locations, and purposes of each meeting or engagement?
2. Can the Premier provide a detailed monthly breakdown of all expenses incurred by the Senior Envoy in the past year, including per diems, travel expenses, hospitality costs, and all other reimbursed or claimed expenditures?
3. Can the Premier identify, on a month-by-month basis for the past year, the results or outcomes that can be directly attributed to the Senior Envoy's advocacy on behalf of the Government of the Northwest Territories, including any federal decisions, funding, commitments, or policy changes achieved during that period?
4. Can the Premier provide the Senior Envoy's annual work plan for the past year which includes a summary of the Senior Envoy's work initiatives, including the objectives, assigned tasks, timelines, and any progress or performance assessments completed during each month?
